

EXCLUSIVE CREATIVE WRITING COURSES
WITH *SUNDAY TIMES* AND *NEW YORK TIMES*
BESTSELLING AUTHOR **WENDY HOLDEN**

WHETHER you're interested in writing a novel, a memoir or a short story, these exclusive courses are for you. Suffolk-based author Wendy Holden will guide students how to develop prose style and create believable characters, plots, scenes, and dialogue. Her one and two-day courses in relaxing rural locations are suitable for beginners as well as those embarking on projects already begun.

After an introduction, the mornings are structured around a series of exercises and writing prompts with the aim of improving your understanding of the craft of writing. During afternoon workshops, participants are encouraged to share work in progress and there will be guided discussions on ways in which to develop your material further. By the end of the course you will leave equipped with skills and techniques to help you refine your work, plus the support of your tutor and fellow writers to encourage you on your writing journey.

The cost of the one-day course is £120 including refreshments and lunch. The two-day course is £230. To register your interest for courses starting in Autumn 2020, please contact Wendy via her website www.wendyholden.com
